### **Representative Special and Flash Reports, 2007**

---

#### **December**

---

United States: Senate Passes Revised Energy Bill -- House And President Will Concur  
Dec 14, 2007 - Biofuels Report #207

Vietnam: PM Approves Biofuels Program  
Dec 14, 2007 - Biofuels Report #206

United States: Congress is Trying to Make Energy Deal Before Break  
Dec 13, 2007 - Biofuels Report #205

EU: Biofuels Policies in Member States  
Dec 10, 2007 - Biofuels Report #204

South Africa: Biofuels Strategy Released  
Dec 10, 2007

#### **November**

---

Asia: Summary of Biofuel Policy Developments  
Nov 28, 2007 - Biofuels Report #203

New Zealand: Discussion Paper on Regulating Biofuels Quality Released  
Nov 16, 2007 - Biofuels Report #201

#### **October**

---

Flash Report: U.S. - Summary Of The Washington, D.C. Briefing: Can Biodiesel And Renewable Diesel Coexist?  
October 30, 2007 - Biofuels Report #200

Special Report: EU - Ethanol and Biodiesel Capacities Update  
October 30, 2007 - Biofuels Report #190

Special Report: Indonesia - Blueprint on Biofuel Development 2006-25  
October 18, 2007 - Biofuels Report #189

Flash Report: India - E10 Mandatory from October 2008  
October 17, 2007 - Biofuels Report #188

Flash Report: New Zealand - New Energy Strategies Released

October 15, 2007 - Biofuels Report #187

Flash Report: EU - Public Consultation on Biofuels Technology Platform Draft Roadmap  
October 12, 2007 - Biofuels Report #186

## September

Flash Report: Asia - Expert Consultation Urges Nations to Study Biofuels More Carefully  
September 25, 2007 - Biofuels Report #185

Flash Report: Global - OECD Report on Biofuels: Cure or Curse?  
September 18, 2007 - Biofuels Report #184

Flash Report: U.S. - Report from the Western Governor's Advisory Committee on Alternative Fuels  
September 12, 2007 - Biofuels Report #183

## August

Flash Report: India - Orissa Releases State Biodiesel Policy Guidelines  
August 30, 2007 - Biofuels Report #182

Flash Report: U.S. - Evolving Vehicle Fuel Standards: A Summary of Fuel Policy Changes in California  
August 24, 2007 - Biofuels Report #181

Flash Report: U.S. - California Low Carbon Fuel Standard Analysis  
August 8, 2007 - Biofuels Report #180

## July

Flash Report: India - Draft of National Policy on Biofuels Announced  
July 26, 2007 - Biofuels Report #179

Special Report: Global - Summary of 2007 International Conference on Biofuels  
July 17, 2007 - Biofuels Report #178

Flash Report: China - B100 Standard Implemented  
July 16, 2007 - Biofuels Report #177

Flash Report: EU - Highlights of the International Conference on Biofuels  
July 13, 2007 - Biofuels Report #176

Flash Report: China - Agricultural Biofuels Industry Plan Released  
July 12, 2007 - Biofuels Report #175

Flash Report: Australia - NSW Premier Introduces Bill Mandating 2% Ethanol Sales  
July 10, 2007 - Biofuels Report #174

Flash Report: Philippines - Final Biofuels IRR Released  
July 9, 2007 - Biofuels Report #173

## June

Flash Report: EU - Highlights of the 'EurObserv'ER 2007 Biofuels Barometer'  
June 25, 2007 - Biofuels Report #172

Special Report: Brazil - Update on Biofuels Market Developments  
June 21, 2007 - Biofuels Report #171

Special Report: Global - Palm Oil and Palm Oil-Based Biodiesel  
June 12, 2007 - Biofuels Report #170

Flash Report: Thailand - 50 ppm Gasoline and Diesel by January 2012; B2 by 2008  
June 8, 2007 - Biofuels Report #169

Flash Report: U.S. - EPA Conference Call Explains Details of U.S. Renewable Fuels Program  
June 7, 2007 - Biofuels Report #168

Special Report: U.S. - Ethanol Capacity Update  
June 5, 2007 - Biofuels Report #167

## May

Special Report: EU - Highlights from the Brussels Biofuels Briefing  
May 30, 2007 - Biofuels Report #166

Flash Report: Philippines - E10 and B1 specifications released  
May 29, 2007 - Biofuels Report #165

Flash Report: Global - GBC Presents Global Biofuels Production Capacity Compendium  
May 24, 2007 - Biofuels Report #164

Flash Report: Taiwan - Nationwide B1 from 2008; E3 Trials start September 2007  
May 21, 2007 - Biofuels Report #163

Special Report: Asia - Notes from the Webinar on Asian Fuel Quality Developments  
May 17, 2007 - Biofuels Report #162

Special Report: U.S. - California Low Carbon Fuel Standard Analysis  
May 16, 2007 - Biofuels Report #161

Flash Report: The Netherlands - Dutch Biofuels Sustainability Criteria Unveiled  
May 15, 2007 - Biofuels Report #160

Flash Report: U.S. - RFS Workshop Overview; Conference Call with EPA on the RFS 5/24 at 10 a.m. (ET)  
May 11, 2007 - Biofuels Report #159

Flash Report: Philippines - Draft Biofuels IRR and New B100 Specifications Released  
May 2, 2007 - Biofuels Report #158

## April

Flash Report: EU - European Commission Solicits Public Comments on Biofuels Issues  
April 26, 2007 - Biofuels Report #157

Special Report: Canada - Developments in Biofuels  
April 17, 2007 - Biofuels Report #156

Special Report: U.S. - A Review of EPA's Renewable Fuel Standard Final Rule

April 11, 2007 - Biofuels Report #155

Flash Report: EU - IFQC Hosts Conference Call with European Commission's Ian Hodgson  
April 4, 2007 - Biofuels Report #154

Flash Report: Asia - Biofuels Production Capacity Tables Updated  
April 4, 2007 - Biofuels Report #153

## **March**

Special Report: Belarus - Fuel Quality Legislation Changes  
March 30, 2007 - Biofuels Report #152

Flash Report: U.S. - Biofuels Energy Security and Transportation Act Introduced in Senate  
March 28, 2007 - Biofuels Report #151

Special Report: Global - Summary on Conference on Biofuels Standards; EU and Other International Developments  
March 12, 2007 - Biofuels Report #150

## **February**

Special Report: Biodiesel Capacity Update  
February 28, 2007 - Biofuels Report #149

Flash Report: The Global Biofuels Center Hopes to See You in San Antonio!  
February 23, 2007 - Biofuels Report #148

Flash Report: Portugal - Biofuels Discussed at Lisbon Corn Congress  
February 21, 2007 - Biofuels Report #147

Flash Report: U.S. - Presentations Now Posted from Feb. 13, 2007 Briefing  
February 20, 2007 - Biofuels Report #146

Flash Report: New Zealand - Biofuels Sales Target Announced  
February 15, 2007 - Biofuels Report #145

Special Report: US - A Biodiesel Primer: Market & Public Policy Developments, Quality, Standards & Handling  
February 6, 2007 - Biofuels Report #144

Flash Report: EU - European Commission Officially Releases Fuel Quality Directive Amendments  
February 1, 2007 - Biofuels Report #143

Flash Report: EU -European Proposal on Biofuels and Renewable Energy  
February 1, 2007 - Biofuels Report #142

## **January**

Flash Report: Chile - Final Report From ODEPA'S Bioenergy Committee On Biofuels  
January 29, 2007 - Biofuels Report #141

Flash Report: U.S. - President to Announce "Alternative Fuels Standard" and New CAFE Reforms  
January 23, 2007 - Biofuels Report #140

Flash Report: Brussels - International Biofuels Standardization Conference  
January 22, 2007 - Biofuels Report #139

Flash Report: Philippines - President Signs Biofuels Act into Law  
January 18, 2007 - Biofuels Report #138

Flash Report: U.S. - Final Program for the Houston Briefing Now Available!  
January 11, 2007 - Biofuels Report #137

Flash Report: Canada - Government Releases Official Notice of Intent to Develop RFS for the Country  
January 2, 2007 - Biofuels Report #136
